What would I be doing as Programme Team Member for Scouts?

The County Programme Team oversees and supports the delivery of quality programmes for young people. This includes promoting and supporting Top Awards and supporting Section programmes when activities or events are best done at County scale.

Your role would be less about running lots of events and competitions but providing meaningful support to all our Scout Team Leaders and Team Members to deliver great programmes to their section.

As Programme Team Member for Scouts, you will...

Help Sections within the County to improve their programmes

- Support both District Scout Leads to share and make programme changes, such as new badges and activities.
- Promote, support and celebrate Chief Scout Gold Award so District Scout Leads have the chance to create amazing experiences.

Set up activities and events in the County

- Organise County events when you work with District Scout Leads to identify they're needed, and make sure they're inclusive and accessible to all.
- Set up networking and peer support at County scale so Scout Team Leaders can share best practice across the County.

If you are passionate about growing and developing our youngest section and supporting other volunteers, then this is the role for you!

How to apply or nominate someone

You can apply for the role yourself using the application form or nominate someone else. Nominated people are under no commitment to apply, unless they wish to. Apply or nominate online by following the link below.
