Sub-Team Members**

What would I be doing as a Communications Sub-Team Member?

The Communications Sub-Team is part of our Development Support Team. They create a positive image of Scouts in the local community. For example, through local media, showing that Scouts is inclusive and open to all.

We have four opportunities as part of the sub-team focusing on your interests and skills.

Photographer

- You will capture memorable moments at our events and special occasions to showcase the amazing opportunities we provide to our members and externally.

Social Media

- You will use your creative flare to create content for our social media and share amazing stories about Scouts in Greater Manchester West.
- We use Facebook, Instagram and X to shout about Scouting in our County.

Mailings

- You will work with our leadership team in creating eye-catching emails to send to our members filled with the latest information. This includes our monthly Member Update and 'The Buzz', our termly County Newsletter.
- We use Mailerlite – is simple to use, and you will receive training from our team.

If you are passionate about shouting about scouts and our great opportunities, then being part of the team is a perfect fit for you!

How to apply or nominate someone

You can apply for the role yourself using the application form or nominate someone else. Nominated people are under no commitment to apply, unless they wish to. Apply or nominate online by following the link below.
